THE GLOBAL MARKETS FORUM WEEK AHEAD

MAR 14-18, 2016

REUTERS GLOBAL MARKETS FORUM PROGRAMMING GUIDE

“JOIN THE CONVERSATION”

Each week, members of the Global Markets Forum on Eikon engage markets experts and Reuters journalists from around the world in discussion about all things markets, and beyond. The Forum also holds “LiveChat” interviews with top-tier commentators throughout the week, giving members access to newsmakers in the Eikon Messenger environment. A schedule of GMF Live Chats is published weekly.

The Forum also hosts the following conversations with Reuters correspondents and commentators:

FX WEEKAHEAD with Jeremy Boulton – Jeremy, a London-based FX analyst for The Dealing Room FX community, discusses the week’s most promising trading events. He joined from Informa Global Markets where he ran FX fundamentals research for four years, a stretch during which IGM won the FX Week award for best independent FX research each year. Jeremy started in FX sales at Merrill Lynch in 1985 and over the years has held FX spot trading and sales roles at a number of institutions.

GLOBAL FLOWS with Alpha Lipper Insight – Tapping data for 117,000 mutual funds, ETFs and other investment vehicles in more than 60 countries, the Lipper analysts behind industry-standard benchmarks and ratings take questions and brief Global Market Forum members on what changing money flows say about asset allocations, hot and cold sectors, and the varying appeals of regions and industries.

KEEPING SCORE with Rick Horrow – Discuss the business of sports with “The Sports Professor”, Rick Horrow, host of the [Keeping Score](#) podcast on Reuters.com. Horrow’s clients have included the NFL, Major League Baseball and the PGA Tour, to name just a few.

CHARTWISE with Reuters Chief Global Technical Analyst Cornelius Luca – Author, lecturer and executive Cornelius Luca each week casts a shrewd cross-border, cross-asset look at global markets to identify for forum members investment risks, possible opportunities and market trends in equities, futures, bonds and currencies around the world.

CHARTING FX with Reuters’ senior FX analyst Martin Miller – Martin, a senior currency analyst for Reuters in London – providing content for the FX Buzz feed and Dealing Room forum - analysis the latest technical trends in the currency markets. Prior to joining Reuters, Martin was an FX Technical Analyst at Informa Global Markets where he analyzed G10 currency pairs, having previously started his career on the spot desk at Tokai Bank in London.

STOCK MARKET ANALYSIS with Reuters Correspondent Alistair Smout – Alistair has been a part of our equity market team for the last three years, focusing on European markets, along with a successful six-month stint in Scotland covering the 2014 referendum. He joins us weekly for a look at the main moves and themes driving these markets.

SPORTSCHAT with Reuters Sports Editor Ken Ferris – Reuters stalwart Ken Ferris, an expert on both financial markets and sporting fixtures, takes a weekly look at the main European sporting events, news and gossip.

U.S. CORPORATE RESULTS with Alpha Lipper Insight – Lipper Alpha Insight researchers each U.S. reporting season name winners and losers among America’s biggest corporations and point out what may lay ahead for American business profits and institutional investors amid slowing global markets, slumping oil prices and a strong dollar.

THE GLOBAL MARKETS FORUM WEEK AHEAD

MAR 14-18, 2016

LOCK STOCK AND BARREL with Amanda Cooper and Jessica Resnick-Ault – Reuters energy journalists Amanda and Jessica each week take questions on the rumors, geopolitics, economics, hurricanes and speculators that govern the prices of the modern world's lifeblood.

WEEKLY MARKETS OUTLOOK with Mike Dolan – Reuters EMEA markets editor Mike Dolan joins us to talk all things markets and share his thoughts on the key events coming up in the week ahead. Mike is a veteran Reuters reporter, having previously been EMEA Treasury News Editor, European and U.S. Economics Correspondent and Investment Editor.
